Division Rules

See Junior Division General Livestock Rules

All **in-state** junior livestock (cattle, sheep, goats, and swine) showing at New Mexico shows must have an NMLB approved 840 tag and a Form 1 inspection issued by the NMLB before entering any county or state Fair. All **out of state** livestock must comply with New Mexico import requirements. The Form 1 inspection will be issued at the time the NMLB approved tag is placed in the animal. The application of the tag will be done by the extension agent, FFA advisor or Fair personnel. The purpose of these requirements is to keep on file a record of animals that are commingled at Fairs and shows.

Ownership

Any animal shown in this department must continuously have been owned and personally cared for by the exhibitor since June 30 of the current year. Market goats must be tagged with an 840-ear tag. All market goats will be tattooed with a 4-H in the left ear or an A in the right ear (required by NMLB if the exhibitor does not have a registered brand). Any animal that has been sold through a non-premium sale in any state or county may not be exhibited at the SNMSFR.

YQCA Certification

All exhibitors of junior market animals are required to submit a YQCA Certificate number at entry. No junior market animal will be allowed to show without the number.

Entries

The entry deadline is Friday, September 5, 2025, 10:59pm. All entries will be entered and paid online.

Late Entry Fee: Late entries will be accepted until September 15, 2025, with a late fee of \$25 per animal.

Entries will only be accepted on-line through the Southern New Mexico State Fair website. The entry fee is \$15 per goat. The entry fee for Showmanship class is \$5. There is no limit on the number of goats each exhibitor may enter. Only wethers and does may be exhibited in market goat classes. Only goats under one year of age, milk teeth required, are eligible to show in this division.

Arrival

Junior market goats must be on grounds by 12:00 pm, Tuesday of fair week.

Upon arrival on SNMSFR showgrounds NMLB form will be inspected by the NMLB. Animals will then proceed to the weigh station. Goats will be weighed and presented for a health check to include horns (see *classification* below for details) and diseases. Blankets must be removed for health check. If any goats do not meet inspection requirements, they may not be allowed onto the showgrounds.

Classification

Goat entries must be dehorned, disbudded, or cut even with the top of the head. Scurs may not be over 2" long. No open wounds should be visible; head must be healed.

If you have any questions about inspection requirements, please reach out to the superintendent or assistant superintendent **BEFORE** check in.

50 pounds is the minimum weight for Junior Market Goats. There is no maximum weight.
